# ELEVEN QUESTIONS YOU SHOULD ASK EVERY INSURANCE AGENT

1. Are you a fully licensed agency?
2. Do you represent multiple insurance companies so you can shop the entire marketplace to find the best protection and value for my insurance dollar?
3. Will I speak with a live person 24/7/365 when I call your office?
4. How often will I hear from you? Will I receive ongoing communication from your office, at least monthly?
5. Does your agent fully explain your coverage all of the time?
6. Are there easy, flexible payment plans available?
7. Can you share with me the details of your referral program?
8. Is 24/7 claims assistance available from all of your companies?
9. Do you have an interactive website that provides everything I need 24/7?
10. Does your agency feature a dedicated service agent that I can build a relationship with?
11. Is your service 100% guaranteed in writing?

**IMPORTANT NOTE:** Any insurance professional will be able to answer these eleven questions with no problem. If he or she cannot, it doesn't mean that they are not a good person. It just means that maybe they are not qualified to protect you, your family and your most valuable assets.
